REFORMATION O.P. CHURCH
LORD'S SUPPER POLICY

This morning, our church will be celebrating the Lord's Supper. The Lord's Supper is a visible sacrament given by our Lord Jesus Christ to His visible Church to commemorate His death until He comes. As the Elders of this church--responsible to exercise "the keys of the Kingdom" (Matthew 18:29) – we invite all who are confessing members in good standing in Bible-believing churches to join us at our Lord's Table. At the same time, we must remember the Bible's warning that we examine ourselves before we participate, lest we eat and drink judgement on ourselves (I Cor 11:27-29). Therefore, before you come to the Table of the Lord, please ask yourself the following questions of self-examination:

First: Do you recognize your sin and in true repentance see your need for salvation?

Second: Do you believe in Jesus Christ as your personal Savior in that you depend upon Him alone for salvation?

Third: Have you been baptized in the name of the Father, Son, and Holy Spirit?

Fourth: Do you in gratitude for your salvation and with the help of the Holy Spirit, rededicate yourself to God in a life of loving service?

Fifth: Since in the Lord's Supper believers renew covenant and have communion (fellowship) both with the Lord and with His Church (I Cor 10:16-17), are you now a confessing member in good standing in a Bible-believing church?

If you can answer "yes" to these five questions of self-examination, we invite you in the name of Christ to come to His table with confidence, celebrating and remembering Christ's sacrifice on the cross for our salvation.

If you cannot answer yes to these 5 questions of self-examination, then it is the judgement of this Session that it would not be appropriate for you to participate in the Lord's Supper at this time. We invite and encourage you in the name of Christ to take the steps that will enable you to enjoy full fellowship with Christ and His people. Please speak with the Pastor or one of the session members.

The Session
